

## **IMPORTANT CHECK-OUT INFORMATION** **PLEASE READ**

**Check-out time is 10:30 AM.**

*A great deal of work must be done to prepare a cabin for guest arrival, a delay in your departure may result in the cabin not being ready by 3:00PM for the next guests. Like you, they are looking forward to being in their cabin on time.*

*Please keep in mind you are visiting someone's home. We do not expect you to clean the cabin, but please leave it as neat and undamaged as you would hope someone would leave yours.*

- ❖ Place all dirty dishes (including coffee carafe & filter basket and blender cup if used) in the dishwasher and start prior to departing.
- ❖ Place all used towels, washcloths and kitchen linens (including pot holders) in the bathtub on the laundry room level. (No wet towels on the wood floors, please.)
- ❖ Please make certain **GARBAGE IS WRAPPED AND SECURED TIGHTLY IN GARBAGE BAGS AND PLACED IN THE GARBAGE BINS PROVIDED OUTSIDE WITH THE LID SECURELY FASTENED.** The garbage service will not pick up if there is loose garbage in the bins. Failure to follow these instructions will result in an additional cleaning fee.
- ❖ If you used the grill, please leave it clean, turn off propane bottle for the gas grill and replace cover.
- ❖ Pull comforter/quilt back on all beds that have been used so we are aware the linens need servicing.
- ❖ Please return all game and puzzle pieces to their proper location.
- ❖ If you used the hot tub, please replace cover tightly, lock clips (if provided)-mountain winds could blow it off and cause damage.
- ❖ If you used the wood burning fireplace, please make sure all ashes have been taken out to the METAL trash can provided at entrance.
- ❖ Turn thermostat to 55 degrees in winter or 85 degrees in summer.
- ❖ Please lock all doors and windows and leave the key on the kitchen counter. Please pull the locked door shut behind you. Drive safely!

*We hope you enjoyed your stay!*
